Dear Sir,

I write to ask for to kindly help me, (one of your retired officers) to secure a Military Commission. It is a temporary Emergency one for the duration of the war. It was advertised in the "Times of India" of the 12th instant and is an offer open to retired Government Officers. - a cutting is herewith attached - I have today sent separately, a registered letter containing my application to the Chief Secretary to Government as required by the advertisement. I am pretty certain of getting it with your kind help. Time is of great importance and if you can have it forwarded with the least possible delay, I stand a very good chance, as I am already in the Military Service, doing War work, as Brigade Librarian of the Officers Library here I am ranked now only as a private Soldier and although I am receiving special treatment, it has its social limitations I was passed medically fit - a young Sixty - and I underwent intensive training with the Border Regiment. The points which will help me in forwarding my application are: -

That I held important and responsible positions in the Forest Service for 32 years. Independent Charge of important Districts where I was called upon to shoulder heavy responsibilities and take the initiative.

2.) That I came of a good family. my father was Comptroller of accounts

3) My social position as a member of the Government Officers Club for 14 years - Century Club.

4). Sport. - Shikar. Tennis, Cricket, Golf.

If I get the Commission I will probably be posted to Bangalore when I will come to thank you personally and pay my respects.

Thanking you in Anticipation and trusting you will forgive me for troubling you and taking up so much of your time.

Yours Sincerely

C H Eagles.

Sir,

I am enclosing herewith my application for a Commission in the Army, in reply to the attached advertisement appearing in the Times of India of the 12th instant. I am already doing Military duty and this is an opportunity to better my position which is that of a Private soldier attached to the Border Regiment. I am sure if you will recommend me I will secure the Commission as I am feeling very fit in spite of my 61 years. As I know a number of older men have applied, I will be very grateful if you would kind send on the application with as little delay as possible.
